The Yankee Entertainment and Sports Network (YES) is an American pay television regional sports network that is owned by Yankee Global Enterprises (the largest shareholder with 26%), Sinclair Broadcast Group (which owns 20%), Amazon (which owns 15%), and The Blackstone Group, RedBird Capital and Mubadala Investment Company, which each own 13%.[2][3] Primarily serving New York City, New York and the surrounding metropolitan area, it broadcasts a variety of sports events, as well as magazine, documentary and discussion programs; however, its main emphasis is focused on games and team-related programs involving the New York Yankees of Major League Baseball (owned by minority partner Yankee Global), the NBA's Brooklyn Nets, the WNBA's New York Liberty and New York City FC of Major League Soccer. YES Network's offices are based at the Chrysler Building in Midtown Manhattan. YES programs, including Yankees and Nets pre- and post-game shows, are produced in studios that are located in Stamford, Connecticut.[4] The channel is available on cable and IPTV providers in New York, New Jersey, Connecticut and parts of Pennsylvania; it is available nationally on some cable systems (as part of a designated sports tier), via satellite on DirecTV, and regionally on Frontier, AT&T U-verse, Verizon Fios, and Cox Communications.
